

First GFÖ IK Computational Ecology meeting 17.5. – 19.5. 2017 in Göttingen, Germany

Dear colleagues,

it is our great pleasure to invite you to the first meeting of the GFÖ special interest group for computational ecology (see also <https://akcomputationalecology.wordpress.com/>)

- **When:** Wed, 17.5. (evening) – Fr. 19.5. 2017 (lunch time)
- **Where:** in the [Waldschlösschen](#) close to Göttingen, Germany

Program

The meeting will start on Wednesday evening (17th of May) and last until Friday, lunchtime (19th of May). In line with the [discussion](#) during our inaugural meeting at last year's GFÖ, the program of the meeting will consist of

- Short talks (5 min) of all participants to introduce their research interests
- Mini-excursion
- Discussion groups on subjects related to computational ecology, organized and lead by the participants

The goal of all activities is to get to know each other, and develop new collaborations or research questions between IK members.

Accommodation and registration

The Waldschlösschen provides lodgings (2 nights in single rooms) and full board (3 meals a day) for a price of 132 EUR per person. We have reserved a sufficient number of rooms, but to confirm them, we require a definite confirmation of your attendance before the 7th of February.

Please register for the meeting following the link <https://goo.gl/forms/ygvdx52Twv1evCgN2> , or via the QR code

With many hopes for an inspiring first IK meeting at this great location

Florian Hartig, Emanuel A. Fronhofer, Alexander Kubisch (AK speakers),
Johannes Signer (local organizer)
